A Company by **Prodigy Corps**

# ONE STOP SOLUTIONS

## Our Aims:

Engage Tradings has the clear motto and mission to provide best quality product within financial budgets for each of our customer. our style of business differs from others we just take into consideration, the customer's feedback, which style they preferred and what they desire in an new product, and we transform the projected imagination into innovation. All these efforts have made Engage Traderings a highly reputed brand in the local industry. We believe in innovation.

- **Engineering**

From initial design phase to extended and detailed phase all our engineering processes are governed by the experienced eyes of veteran complete Plant Design including Mechanical, Civil and Electrical design, Process Design including detailed Piping design and Infrastructure design.

- **Procurement**

We have an experienced team on this task that ensures best sources for material and equipments according to the client requirements. This import/export, documentation and logistics management.

**We offer a wide varieties of services that are flexible and engineered to the customer's needs. Our leading engineers have experience of couple of decades, thus enabling us of providing services to all the major sectors. However to name the few, we have:**

- Machine & Electrical
- Switchgear & Automation
- Material Supply
- Insulation & Cladding
- Junction & Distribution Boxes
- Fabrication of every type of support structure
- Manpower Supply

# Our Services Includes

Envisioning, planning and specification development; equipment selection and OEM management; electrical, process and mechanical system engineering and automation and SCADA application development! Manufacturing Execution Systems! field install/start-up; training; and systems support.

## Product Range

### 1. Boards & Panels

- a. Distribution Boards
- b. Synchronizing Panels
- c. Metering Panels
- d. Auto Power Factor Correction Panels

### 2. Sensors

- a. Proximity Switches
- b. Ultrasonic Sensors
- c. Rotary Encoders
- d. Position Encoding System
- e. Photoelectric Sensors
- f. Photoelectric Safety Sensors
- g. Identification Systems (RFID, Barcode, Datamatrix, iBeacons)
- h. AS-Interface

### 3. Controllers & Relays

### 4. Circuit Breakers

- a. ACB, MCB, MCCB, MPCB (Circuit Breakers)
- b. Magnetic Contactors
- c. Glass Relay/Overload Relay
- d. Phase Failure & Protection Relay
- e. Power Factor Capacitor, Push, Selector Switches
- f. Change Over, Brass & PG Glands
- g. Industrial Plug Socket

### 5. Lighting Solutions

- a. LED Lamps & Tubes
- b. Indoor & Outdoor Luminaires
- c. Lighting Controls
- d. Conventional Lamps & Tubes
- e. Lighting Electronics

### 6. Cable Trays & Ladders

- a. PVC Cable Glands
- b. Brass Glands

### 7. Power Supplies

- a. DC Power Supplies from 5KW to 15MW
- b. Frequency Converters from 1KVA to 500KVA – 400Hz, 50Hz, 60Hz
- c. High-Current Battery Chargers from 5KW to 2MW
- d. Power Inverters from 5KVA to 2.5MVA
- e. Switched Mode Power Supplies from 2KVA to 500KVA
- f. 3rd Rail Transportation Maintenance Inverter from 3KVA to 150KVA
